72-1 **Adam's bride could not wait, but she mingled her seed illegally, illegally.** We are supposed to believe God's Word and that alone.

Now, brethren, here and on the tape, do you see why I am contending for that Word, word by word. I've told you I believe that is God's Truth. God's protected that Bible. He's got to judge the world by something: through Jesus Christ which is the Word, and this Word was made flesh to become Jesus Christ. I'm just letting it soak in. Remember, the Word.

And now He finds her all messed up. You think He'd marry such a thing as that? Never. **He's holy. She couldn't wait. Illegal, that's what Adam found.**

72-5 **Now, Adam's bride could not wait, but she went forward first.** That's the way today, the bride today. She wants to manufacture something. "Glory to God," she's got to work it up on the platform. She's got to have everything. **See? What is she doing? Manufacturing something.**

Look where it's going. You can see there's nothing to it; it's a phony. Exactly right. If it wasn't, this world would be aflame with the power of God; the church would be on fire; oh, what... Dead would be raised and all kinds of things would be taking place. But what did she get sowed up with before Christ could get to her, **before He got to her to plant His Own seed? What did she have? Weed seeds, the world, denominational seeds.** That's the reason why she's reaping her harvest right now. I hope you don't--make you upset, but I hope it gets right down to a place where I'll trust that God has given it to you. See?

72-7 **Now, she mingled her seed illegally, illegal to the Word.....**

.....she's brought out a product of a bunch of people that--that will compromise anything and **refuse the very message of God**, not knowing what she's doing.

She's ignorant of it. She don't believe--she don't think she's wrong. Neither did Eve think she was wrong.....

73-2 Now, notice, what happened to Eve's children? The first one that was borned... Now if God said, "Multiply (to his bride, to Adam's bride) and replenish--multiply and replenish the earth," **that was God's commission;** and she would've done it, and he would mixing themselves together. But what happened? **When Adam got ready to come to her, she was already a mother. See what I mean?**

**Now, the same thing has happened to Christ's church, Christ's bride.** Now, we're going back farther than that in a minute. Notice, in this bride, what did she do then? **Her first child come forth; it was a bastard child, and he was full of death and caused death.** And everyone since then is death. Now, you see it had to be sex. Why do you die if it wasn't sex? When God give a commission which cannot perish... God's Word's Eternal. It cannot fail. When He said, **"Multiply and replenish the earth," that was God's eternal purpose. To carry it out you cannot die, because it's His Word.** You have to live. And if that child would've been brought forth right, there'd have been no death; but she couldn't wait.
